MEMORANDUM FOR THE RECORD

SUBJECT: Miscellaneous BP/GR Items

25X1A

1. [redacted] called 0800 to check on certain language in BUSY PILOT procedures paper. Since he had an outdated draft, requested latest version. I sent 10 April copy via LDX.

2. [redacted] called 0830 for [redacted] Asked if OK to use GIANT REACH portion of latest Mideast SR-71 mission in DIA Intsum-- any restrictions. I checked with [redacted] and [redacted] then confirmed to [redacted] that GIANT REACH OK for usual-normal handling and reporting for such missions. The key point is to keep that portion of the mission absolutely and totally separate from the BP aspect.
